

ALIFIC

PRODUCER · ARTIST · LIVE BAND

★ ALIFICMUSIC.COM ★

Alific is the project of San Diego producer, songwriter, multi-instrumentalist and performer Brendan Dane — roots reggae and dub folded into hip-hop, downtempo and electronic production, then rebuilt for a six-piece live band.

Twenty-five years in professional audio across music, film and television, two national tours as touring keyboardist and DJ for The Movement, and a catalogue stretching from Pacific (2016) to Write It On The Wall (2023). A live show built on DJ-style mixing, looping, bass, guitar, keys and vocals — played as a band.

ALIFIC HAS PERFORMED, TOURED OR SHARED THE STAGE WITH:

- Sam Dechenne (trumpet)
